

Lightweight Matte Box LMB-25

The LMB-25 is a clamp-on matte box that expands the feature set and creative possibilities of the LMB-15, while retaining the low price tag of an entry-level LMB-5.

Main Features

- 2- or 3-filter metal filter stage guide
- Combo 4x4 / 4x5.65" filter frames
- Compatible with all LMB-5/15 filter frames, Clamp Adapters and light shields
- Wide angle hood easily removable on set with captive screws
- Securing loop on main frame for crane and vehicle use

Accessories available

- 5x5" filter frames
- Bottom Flag attachments
- Carbon Top/bottom flag
- Set of 5x mattes
- 3/8" top mount for accessories such as ultrasonic devices
- Bottom mounted tray securing catch for crane and vehicle use
